# Profits Will Be Made by Buyers of Stock from This Special Fall List

AUGUST 20 to NOVEMBER 15 1929

The man who reads and acts at once can be sure  
of receiving extra-good dividends on the small sum  
invested in the plants here offered.

THE prices here quoted are for fall (1929) orders and effective August 20 to November 15. The stock may be shipped this fall, or held until spring if you so desire. *If so held, a deposit must be made of 20 per cent of the purchase price.*

Digging, grading, and packing are held to the highest standards. Boxing and burlapping, where not included, are charged at cost. Certificate of Inspection attached to all shipments.
